This point system applies to the annual Deer and Elk lottery

The Preference Point System was established with the 2009 Draw. This system allows applicants to apply each year regardless of previous year’s success in the draw. One preference point will be awarded to applicants who were entered into the FHL draw but were unsuccessful in drawing their requested FHL tag in the previous year. Applicants with the most amount of points accumulated will receive priority placement on each draw.

(Applicants that were unsuccessful in drawing an FHL tag in 2009 will be awarded 1 preference point for the 2010 FHL elk draw.)

Only one elk application may be submitted per hunter.
